General Instructions

Feel free to visit this form often during the reporting period to journal your activities. Each time you "Save" the form instead of clicking "Submit your FAD Report" you will receive an email with a NEW return link, allowing you to log back into the form using any browser.

- Report in whole numbers and round up (e.g. 1.25 hours = 2 hours; 1 week and 2 days = 2 weeks)
- "Direct contact hours" means time spent with learners present; it does not include preparation time or time spent reviewing homework.

For FAD questions, contact JR Pierce, MD,
jrpierce@salud.unm.edu.

If you have no educational activities to report, CHECK the button (right) and SUBMIT your form:

I have no data to enter for this reporting period.
